

COVID-19 UPDATE (19th March 2020)**WJA TRAINING COURSES SUSPENDED**

Following the fast-changing developments and escalation of the COVID-19 outbreak in the UK we have taken the decision to postpone all of our face-to-face training and events until week commencing 1st June 2020.

The health and safety of our customers and staff is our main priority and pausing face-to-face training will help us to maintain this.

By moving bookings to later in the year, we can ensure that we provide you with the expertise you expect from us to allow you to operate our equipment safely.

If you already have a booking you can transfer the date to a date after June 1st. Please let us know what date suits you best and we will make the necessary arrangements on your behalf.

Thank you for your understanding and rest assured we will do all we can to get back to a normal schedule as soon as we can.
